

As explained in section 6 of your member certificate or policy, we cover certain preventive services without cost-sharing when performed by a Participating Provider and provided in accordance with certain guidelines. Below are links to those guidelines as recommended by: the Health Resources and Services Administration ("HRSA"), United States Preventive Services Task Force ("USPSTF") (items or services with an "A" or "B" rating), and Advisory Committee on Immunization Practices ("ACIP"). Please be sure to also refer to your certificate or policy for additional information describing when these services will be covered with no cost-sharing.
