

## When you travel, CareConnect gives you options.

If you get sick or have an emergency while outside our service area, you have options. Even though your plan does not have an out-of-network benefit, as a CareConnect member you have access to coverage for most needs while you're away from home.

### Telemedicine

With our no-cost telemedicine service, Teladoc™, you can access U.S. board-certified doctors by phone or video no matter where you are.

- Get treated for common illnesses such as cold & flu, allergies, skin infections and rashes.

#### Did you know?

Teladoc prescriptions can be filled at any of the 68,000 CVS/Caremark™ pharmacies nationwide.

### MinuteClinic®

A walk-in medical clinic, open 7 days a week, offering convenient, quality health care at more than 1,000 locations across the country.

- Get treated for minor illnesses or injuries such as strep throat, minor wounds, insect bites & stings.

#### Did you know?

You can also get preventive care such as vaccinations and annual physicals at any MinuteClinic.

### Emergency Care

If you or a family member are in need of emergency services, you're covered anytime, anywhere.

- Get treated for life threatening issues such as seizures, loss of consciousness, severe chest pain, poisoning and severe bleeding.

#### Did you know?

As a CareConnect member, emergency visits are covered anywhere in the world.
