

# Care when you need it.

When the doctor isn't in, you have options. CareConnect's network offers a variety of affordable alternatives when it comes to your (non-emergency) healthcare needs. Our network has over 1,000 walk-in clinics and urgent care centers nationwide, with no appointment needed.

**Urgent care centers:**

- Broken bones
- Asthma attacks
- Bronchitis
- Minor burns
- Allergic reactions

**Walk-in care centers:**

- Write prescriptions
- Administer vaccines
- Common illnesses & injuries
- Treat skin conditions
- Physicals & screenings
